Re: Request for reimbursement

Claim Number 5420

To Whom it May Concern:

I am responding to your request for further data that supports my contention that I am entitled to compensation.

1. Case Number: BC464367
SUSIE ABED-STEPHEN ET AL VS GMAC MORTGAGE LLC ET AL
01/10/2012 at 08:30 am in Department 57, RALPH W. DAU, Presiding
DEMURRER (TO FIRST AMENDED COMPLAINT;).

In this case, in court and pursuant to the court transcripts, GMAC admitted under oath that my loan was never in a default, as had been asserted by them.

2. GMAC had caused to be filed for record a notice of default in the County records against my title interests.
3. This set off a series of events that has permanently damaged my credit scores, my ability to obtain credit fairly, and my existing quality of life as a whole.
4. GMAC also caused to be filed within the County records an assignment of my deed of trust to which they had no right, title or interest whatsoever. This assignment falls under the statute of frauds and constitutes a grant. This grant, in writing, was on a date certain. The records of the United States Securities & Exchange Commission controvert the assumption that GMAC undertook when electing to file this crippling document against my title interests.
5. Because GMAC was also under strict Order from the Office of the Comptroller of the Currency ("OCC), which prohibited this very action, yet GMAC elected to ignore this Order, this represents a violation of their Order and is cause for sanction and contempt of the Order issued by OCC. It has also damaged me in the same manner as described above, ruining my credit, my ability to obtain credit and further damages that are too voluminous to name individually herein.

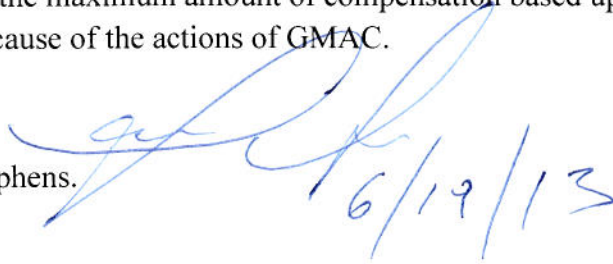

6. I have spent thousands of dollars on legal research and legal fees that exceed \$10,000.00.
7. I Have paid \$19,000 to the GMAC for Modification in 2009 with verification with 1099. GMAC completely ignored the modification.

Conclusion:

I am entitled to the maximum amount of compensation based upon my expenses that were totally unnecessary because of the actions of GMAC.

Sincerely,

Susie Abed-Stephens.
